

## Home learning for Room 6 – Week 1 Term 2

Date: 2<sup>nd</sup> to 6<sup>th</sup> May 2016

### Topic

As we are blasting off for a new term of learning, check out the activities at

<http://www.nasa.gov/audience/forchildren/kidsclub/flash/#.VyA1PqN97EY>

Then using one of the activities explain:

1. What was the name of the activity?
2. Why did you choose it?
3. What did you learn?
4. What would you like to find out next?

**Spelling:** No words this week due to assessments taking place. Spelling words will start next week.

### Reading Log

Date	Title of book, chapters or newspaper article	Initials
2 <sup>nd</sup>		
3 <sup>rd</sup>		
4 <sup>th</sup>		
5 <sup>th</sup>		

### Maths

Please work on your skills in Mathletics. Your password should be glued into this book

### Mathletics

This week I got \_\_\_\_\_ points!

### This week's learning will include:

- Settling back into routines, taking responsibility for setting individual goals and looking after own belongings.
- Chemical change – Fizzing and Foaming (Inquiry topic) starts.
- Spelling assessments take place.

### Literacy focus:

We are learning how recognise and use synonyms, antonyms and homophones in our reading and writing.

- **Welcome back** to school everyone! It is going to be another busy term for everyone in Room 6.
- Please welcome Miss Moore to Room 6. She is training to be a teacher and will be in our class for six days this term, starting on Friday. Miss Moore will return to our class later in the year, for another three weeks.
- Home learning book is due back to school on **Friday** for testing and marking.

**Health** – As the days are getting cooler please remember to wear something warm to school. Also slippers and warm socks can be worn in class to keep our toes warmer. Sunhats are no longer needed this term.

**From Miss Swinton**
